IN REGARDS

Franco-Spanish-Argentinian, with one foot on each continent, Fred Gomez cultivated intercultural dialogue very early on.

His various positions with high added value lead him to travel the world. Europe, then Asia, where he operates as Managing Director of the Japanese subsidiary of Auchan.

Throughout his career as general manager, he is nourished by the culture of beauty, audacity, and a deep understanding of each person and each situation.

Today, he advises companies and accompanies executives and managers in order to meet their new challenges and build their future success with them.

OUR VALUES

Truth / Alignment

Being in the right place, in tune with its values, in a position to express its vision forcefully and faithfully: for a company as for a talent, this is the key to realizing its full potential.

Consideration / Pleasure

We believe in consideration and pleasure as vectors of self-transcendence and accelerators in achieving our goals, as well as those of our clients and the talents we support

Pedagogy / Exchange

We like to understand and transmit. Transmit to build bridges, between recruiters and candidates, between organization and leader and managers, between brands and markets, between the ambitions of our customers and their achievement

Creativity / Freedom

We like to analyze, methodically, precisely, in detail. Once the framework is set, we rely on it to release audacity and creativity

Action / Transformation

What we love even more than great ideas with the potential for big success? Make them grow and, from creative solutions to ultra-concrete action plans, accompany them towards success
